In Stock • Available for Local Installation

masterack® Ford Transit Connect

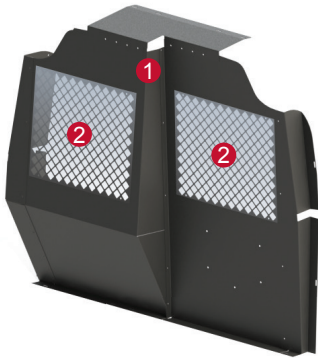

Masterack® Racks & Bins, North America's best selling interiors for fleet customers, now produces the same high-quality commercial van equipment for the new Ford Transit Connect! All of these products have been designed to fully utilize the Ford Transit Connect's impressive cargo height, generous payload, and spacious floor profile.

Partitions

ECONOMICAL & LIGHTWEIGHT. Full length welded wire partition offers optimal visibility. Both driver and passenger can be assured comfort with a set-back for seat recline. Bolts to existing OEM mount points in vehicle. Non-glare, black powder coat finish.

02F823KP WIRE MESH PARTITION - CARGO VAN - **\$269.00**

MAXIMUM SECURITY. Steel partition presents maximum cargo security. A set-back allows driver maximum recline. Perforation across entire partition limits blind spots. Features a non-glare black powder coat finish. Add polycarbonate window panels that reduce cargo area noise and help maintain in-cab temperature control.

1 02F824KP STEEL PARTITION - **\$469.00**

2 02B959KP POLYCARBONATE WINDOW PANELS - **\$159.00**
